# The Way We Were

Memories light the corners of my mind Misty water color memories of the

way

W€

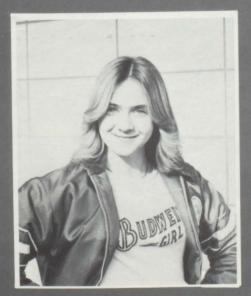

were

Scattered pictures of the smiles we left behind — smiles we gave to one another for the way we were . . .

Can it be that it was all so simple then or has time rewritten every line . . .

if we had the chance to do it all again tell me—

ou oul uld

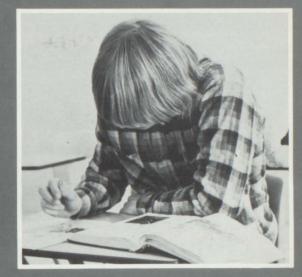

Memories may be beautiful and yet what's too painful to remember we simply choose to forget . . .

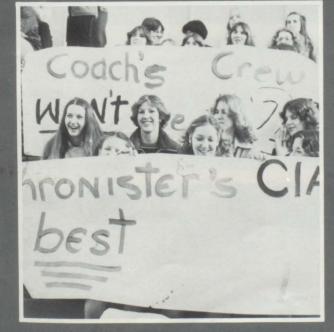

So it's the laughter we will remember . . .

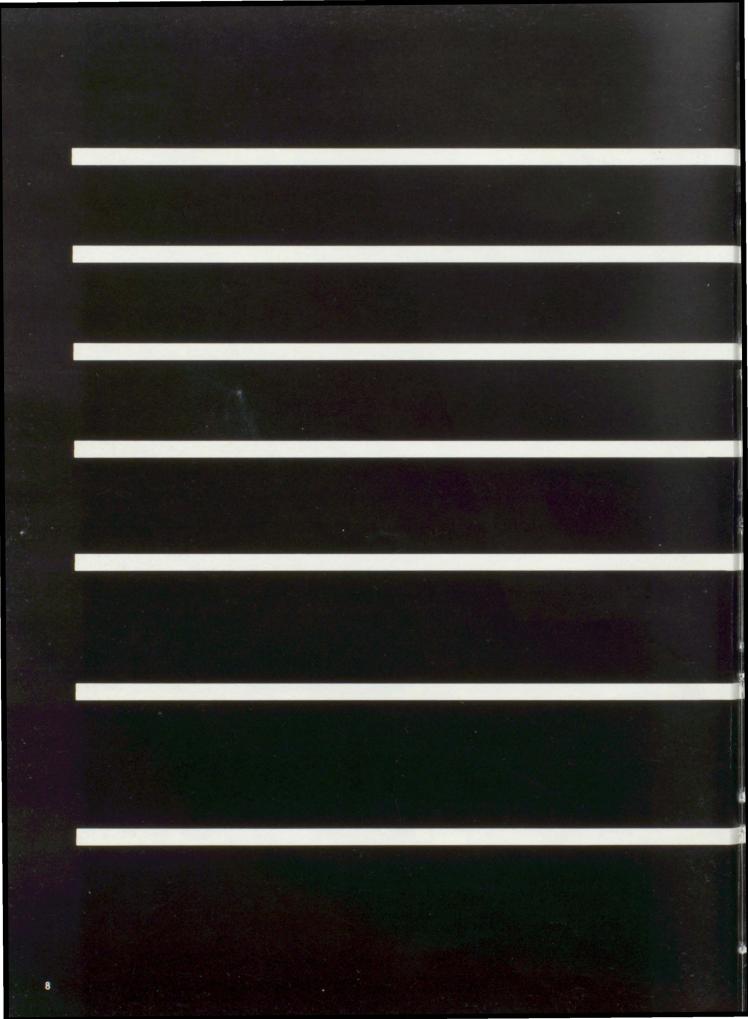

Whenever we remember the way we were . . .

# Passing Time

How quickly pass the days and years. Time never waits for man.

Unceasingly the minutes fly To filt a waiting span.

How happy he who may look back, With pleasure and content,

Upon the years forever gone And feel they were well spent;

And still remember present time Will only shortly last,

And then will be, however lived, A memory of the past.

## **FALL 1976**

We arrived . . . we, the class of 1980 were freshmen. We wandered down the hallways lost. We screamed with newcomer's enthusiasm at assemblies and unavoidably yelled "one" on "Countdown". However, what we lacked in perfection we made up for in spirit, and we were determined to announce that the class of '80 had, indeed, arrived.

# **FALL 1977**

We asserted . . . being sophomores came easily to us. Still the loudest at assemblies, off campus for lunch at last, we reveled in our freedom. We learned of typing classes and how long it takes for  $4\frac{1}{2}$  feet of snow to melt ( 11 school days). We decidedly began making our mark in the PBHS school structure . . . and they still can't paint it out.

#### **FALL 1978**

We celebrated after a "Grease-y" summer full of feverish Saturday nights, we boogied our way into another year at PBHS. Setting a new record in magazine sales, having the #1 band in the state, all helped promote the feeling of VICTORY we thrived on.

### **FALL 1979**

Who knows? . . . who knows what zany stunts we'll pull, or what victories we'll win? When it's all over, we'll have four years of memories to look back on, and a whole lifetime ahead of us. Teachers will magically become people and we'll become alumni.

In Memory of . . . Mr. Randy Weber

Making Memories . .

Our tomorrows rolled away . . . unfolded in the past they lay.

Now we call them yesterday, when memories were made.

Locked forever in the past, today has journeyed there so fast.

We've only memories to grasp of life's role that we have played.

Still, today it's not too late, for magic moments we'll related, if we will just leave out the hate, as to the past they fade.

P. Sturgis

ADAMS, PAM — I've always wanted to be a Senior, but now that it's here, I'm not so sure of it. I am going to miss PBHS because I have had a lot of fun and made a lot of friends. This year I met one special person — I love you Dale!

ARMES, LISA — These four years have been the best of my life. Underclassmen — get the most out of it now, because it will be over before you know it. Thanks to C.K., R.S., K.D., K.H., C.A., R.J., R.T., K.R., for being such great friends. Hey G.C.F., you've made my Senior year best of all. (I.L.Y.)

ASHBY, MELINDA

AUBUCHON, JEROME — Anita you'll always be #1 with me!

BAGGETT, TOM — It's been a great four years. Good-bye to my party pals: Big D., Mafia Man, Super Jew, and RTF. Our livers will never be the same! Good-bye to three special ladies: M.K.H., L.K.L., L.A.F. I will miss you all!

BAGWELL, TAMMY

BAKER, JIM — The last four years are now just memories to the class of '79 . . . Memories that will remain for the rest of our lives. Good luck Senior '79. Best of luck Senior '80!

BARNES, CURT

BARTON, BILLIE RAY

BEAN, STEVE

BELEW, CRAIG

BENNETT, PAM — Remember when we got to sleep late because of snow and then looking forward to going to school in June? Thank goodness we were able to get out of school early.

BIRDSONG, DARLA

BOEVING, PAULINE

BOUNDS, CECIL

BOWLES, DEBBIE — "The Blonde" goes in the middle." Good luck, Carl and V.J. Call me some time and we will go get a soda. B.M. — what's that awful smell?

BOYER, TINA

BRANNUM, JOHNNY

BRISCOE, STEVEN

BRITTON, DIANA

BROWER, LUCINDA — I have enjoyed learning at PBHS. The teachers are really nice and they try to do their jobs to the best of their abilities. I'll miss all the new friends I have met this year. So long PBHS!

BRYANT, HOWARD

BRYANT, JANA — Special friends mean a lot and PBHS has brought me a bunch. There are memories which we'll never forget. T.P. our great box and the icy hill, and especially our Halloween campout. I still need a new glass. That good ole tent at GS camp and in my backyard. If we ever get to talking on the phone, we just can't stop. I loved it. I still have a phone imprint in my ear. S.R. our many motorcycle adventures and who knows we may even become champs at sledding. L.P. making up good stories and crying on shoulders. Please will you not put gum on anyone else's curling iron? Good luck you guys, I'll be thinking of ya always.

BRYLES, KATHY — As I walk away from PBHS with diploma in hand, a part of me that has grown there in the last four years is left behind — all part of memories now. My friends I couldn't have done without. They made the days from August through May bearable and laughable. Now we face the future with knowledge from the past.

# BURKHART, DEBBIE

BUSCHE, JULIANA — PBHS has been an experience in my life — a lot of growing and changing — a lot of memories . . . the singing, cherishing and special teachers. But I think what I'll miss most is just being with the good friends I've made.

BUTLER, PAM — These past years have been rewarding to me. I'll never forget them. I know if it wasn't for God guiding.and directing me I never would have made it. Thank you PBHS.

CALHOUN, GREG — D.P. and R.T. — How's B.W. doing? R.T. and L.F. — want the key again, the window is locked. S.C. — I'll always remember you and Nathon. Coach Smith — Dropped your tooth in that particular area lately. R.P. — wrestling practice, losing weight, hadn't ate in four winters, the cheerleaders look the way I feel. T.S. those three weeks-were nice.

CAMPBELL, JEFF

CARDWELL, ELZIE

CASEY, BRYAN

CATTRON, RANDY

CHAPMAN, ANDREA — "Is this the beginning, or is it the end?" I guess it's a little of both. There is so much I'd like to say, but to do so would require five or six pages. So I'll just say thanks to the teachers — Ms. Payne, Mr. Ladd, Mrs. Summers, and Dr. Fisher — who have helped me get it together. To my friends, The Gang, and especially Gene, thanks for the memories. I leave you with this thought: Life

returns to you what you give it, so give it the best you've got.

CHOISSER, NANCY — It has been heaven and all rolled into one! Thank God I made it and keep on *partying*! L.P. — I still think you're precious!

CHRISTIAN, KELLY — Sr. Year — a time you look forward to until it arrives, then you never want it to end. To the "Flaggies" of '79, best of luck from a veteran. J.J. — Remember your swimsuit, women cave builders and all our little talks and big secrets?! P.K. — "who cares" and Branson. "Toddles" — you could always make me smile. I L Y, Ray. PK, JJ. SF, BM, TP — "Jr. Birdmen Live!" "It's been real and it's been fun but it ain't been real fun!"

CIVILI, MATTHEW

CLANAHAN, PAM

CLAUSSEN, DEBRA

COATS, PAUL — PBHS was 4 of the most memorable years of my life. I'll never forget it.

COCHRAN, MARK — In four years of searching I found what I wanted but somehow lost it. I'm more confused now than when I started.

CODGILL, MICHAEL

COLEMAN, STEPHANIE — I've learned a lot about people and a little about love . . . "Special joys and special places; special friends together — The moments pass so quickly, but the memories are forever!" . . . Thanks to those who made the memories so special.

COLLINS, DANNY

CONOVER, DAVID — These years at PBHS have meant a lot to me, I've had good times, and got to know some good friends. PBHS I'm gonna miss you!

COSTIN, ALLAN

COX, DONNA - I've gone to school for 12

years now and I'm still at a loss for words but I do have one piece of advice: Smile, it will give your face something to do.

COX, RICHARD

CRIDER, DEBORAH

CROFT, BRIDGET — The past four years have been the fastest and funniest years of my life. I'm glad that I'm a senior, because it's my last year of school (except college). I'm REALLY going to miss PBHS. To the CLASS OF '79, GOOD LUCK!!!

CROY, SHARON — Thanks PBHS for four of the happiest years of my life, the friends I've come to love, and the memories they have given me. Here are a few that come to mind. REMEMBER: CJ, LP, TD, SR: playing hot potato in the back seat? CJ: Our swim in Acapulco? The concerts? LP: Helping out during crucial times? TD: Halloween night — sheets? Your curling iron, DL's poor \_\_! AK: Boring nights turning out to be something memorable? The fights we had but didn't finish because we started laughing? JT: Your's special. F.I. and E.M.

DAVENPORT, MARA — It's been a long four years but it's finally over. LP and DC I'll always remember our Jr. year at State. BS never forget "Bad Breath" and "Holier than Thou." KE you'll always be the little brother I never had. CT, JP, and AH thanks for helping me pass Physiology and just being there. KS, I L Y!

DAVIS, JAMES

DAVIS, MELVIN

DAVIS, STEVE R.

DAVIS, STEVEN GLENN

DAVIS, TIMOTHY

DAVIS, VANESSA

DAVISON, LEE — These past four years have

been a blur. My advice to underclassmen; take your time! Do it well, you'll never be able to do it again! Special Thanks to PC & KS.

DEATON, THERESA

DENTON, ROBBIE — PBHS has taught me many things about life, and I even learned some things in my classes. It also helped form the Foursome of B, D, R, R, J,A,H, I,L,Y.

DiCIRO, KURT

DICKEY, SANDRA

DILLARD, KRISTIE — Thanks PBHS for; MA:
To sum up our hard and "do you feel like we
do" times. The laughs we shared and the tears
we cried. Just "Keep Rockin' Me Forever."
LT: Where would we be without your treehouse and your cooking (Mel, mostly) LuLu:
your friendship is priceless. Class of "79" —
memories, so many memories, but it's over.
It's finally OVER!

DILLE, TRACY — Memories that will last a lifetime: AK; Sheepish smiles to start our friendship, Sat. Night Live. LP: alias Terry Bracken, soaking solution in a visine bottle. CJ: Your first at my house, my first at yours. SC: wet sandals and a broken curling iron. LP, CJ, SC, SR, — Sikeston we'll see ya in 1982. Ran Ran — I'll always remember the love we shared and will continue to share. Good Riddance PBHS! F.I. and E.M.

DIVINE, JANNA — Be yourself. "Sr. High years go by so fast . . . enjoy yourself and grab all the gusto you can!"

DOBBS, LAURA

DONLEY, GREG

DORRIS, KIM — The biggest thanks go to my friends. You all are "ones in millions." To be honest, I'm glad I'm graduating, I don't think I could handle another year of . . . rushing to 1st hr. before the tardy bell OR the EXCITING hours spent looking at the wall and out the window!! Yeah, School was a blast! I've

learned the meaning of friends, laughter, and partying harde! The Class of 79 . . . A-L-L — R-I-G-H-T! WE MADE IT! KM, I do love you!

DOUGLAS, GAYLE — Being a student at PBHS has brought much happiness to my life. All the fun times are now slowly coming to an end, but I know the time has come to move on. My advice to underclassmen is this: Make the most of each day; graduation comes before you're ready for it. RH: You're still the one!

DOVER, DIANE — PBHS is an experience. I used to go to school in Illinois, and there are a lot of differences in the two. One thing we had closed campus which wasn't bad. The food was good plus the variety. At PBHS I learned to get along with people of all races.

#### DOVER, GARY

DUNCAN, GREG — "Life is but a span, to link before and after. And wise the man who builds his span of life with love and laughter."

DUNLAP, MICHAEL

EMERY, JESS

ELLIOT, MARTY

EPPS, BARBARA

EVANS, PAM — These past four years have been filled with lots of memories. Thanks LNG for all the laughs. We finally made it.

#### FEARS, KEVIN

FEARS, SHEILA — To my special friends, Remember . . . PK-BM, our *small* bunking party and To-ga. MM-CH, double dates and it seems like we've been driving for a year! VV-DA, SC, AF, HB, etc. SR-KD, I'm Not gonna cry! MM, VV, SR — Cruising and staying at Sandy's. TP-SW, To-ga. This is so functional! BM-RP, I look terrible! to-ga. JJ-LC, To-ga, Nat — ILY and always will! It's been *real* and it's been *fun*, but it ain't been *real fun*!

FEATHERSTON, SHEILA - I can hardly

believe these four years have passed so fast. They were the best ever. It's sad that everyone will be going their separate ways, but there'll always be a special place in my heart for PBHS.

FINNEY, BILL — Here it is, time to go to that toga party in the sky . . . I and my friends have had our share of good times. I've enjoyed high school, mainly because I didn't take it seriously. How many times have you felt like egging Daniels' house? Or, tell Mrs. Chronister to walk the Mason-Dixon Line. You may be punished but the satisfaction outlasts the pain. Here's to 6th hr. SAE, Milahkas, and muddy roads. I close with a philosophy of life: Live it for all it's worth, don't listen to parents, and don't get caught.

FISHER, TAMI — I think I may make it! I don't believe after all this waiting my Sr. year is about over. BH Remember — "Get Down and Party"? RL, SS — Let's go to Memphis!! SJ will we ever forget "First Love"? One more thing to end my Senior year and that's to a certain guy "SJ you will always be something special to me"! It's been real, and it's been fun, but it ain't been real fun!

FISKE, THOMAS

FOSTER, KENNETH

FOUST, CAROL — Good luck to the Class of '79. VJ and DB — Remember "The Blonde goes in the Middle?" MP, SH, KU, VJ, DB, — "Let's go get a soda."

FOUST, DON — My Sr. year has been the greatest. I think I'll miss my friends the most. I'll miss football and all my wonderful teammates. RG, RT, JH, RT, and everybody in football — you are my best friends. Thanks for the good times — (AW you're the greatest)! Good luck Srs. of '79.

FOX, KIM — Thank Heavens it's Finally O V E R!!!

FREEMAN, STEVE - Life is a theater in which

the worst people often have the best seats. — Aristonymus

FREEMAN, WILLIAM

FRISH, ROBERT

FUNKE, JEANNETTE — I can't believe I'm a Sr., but then neither can Mr. Daniels. Remember: Mr. Ladd's H of W, SAE meetings, Ms. Payne's Rabbit, & Ms. Graham's windows? Parties, Markham Springs and Sam A. Baker? To Andy, Bill, Gene, Rhonda, Shar, Steve, Mr. Ladd, Ms. Payne, Ms. Graham and Dearl — Thanks for everything — I love ya! To the underclassmen: May you always have the freedom to be yourself.

GARRETT, ANGELA

GEORGE, SHEON

GILBERT, NAN — These past four years have been filled with lots of memories. Thanks PSE for all the laughs. We finally made it!

GLENN, GEORGE

GODWIN, RICHARD

GOFF, DONALD

GRANEY, RICHARD — How does one sum up his high school career? DF you still owe me two Sonic burgers, RL, LO, GL, remember those great lunch experiences? Thanks JB for typing my stories. PK thanks for the unusual times in Comp. DW don't forget the time we got lost in Jonesboro. RT thanks for the demolition derby in your vega Oct. 15. RS How can I describe it? Goober, ripping off my money, thanks for the great times. Thanks PBHS for the great times, friends, and teachers. May success follow the class of '79 forever because we are #1.

GRAY, JIM — Thanks PBHS for all the friends and memories that I can look back on in years to come. A special wish to BAVARIAN mountain climbing that has become a popular weekend activity here at PBHS.

GREER, TERRY

GRIFFITH, ANTHONY

GUISE, DAVID

GUNN, GENE — Comrades & fellow imperialist pigs, Greetings! Never before have you capitalist milackas been so poorly motivated and without hope, but I offer you hope. Actually I might have liked to write something lofty and inspiring about possible future conquests and accomplishments OR I could have said something foul and obscene, in which case JD would probably have spewed tahbacker juice on it. Thanks to Andy, Bill, Janet, Rhonda, Sharlene, and Steve and my most wonderful teachers: Mr. Ladd, Mrs. Summers, Mr. Craft, Miss Seifert, and Doc Fisher.

fortable in them, but you soon outgrow them, and you must move on to a bigger pair. Class of '79, we have outgrown our school and we are now ready to move on to something bigger and better.

Times goes by; want to cry Fall is passing on Things to do me and you Before our time is gone.

House aglow; watch for snow Running through the leaves Camping trips tender lips Wind whistling in the eaves.

Extra blankets, extra hugs Watching football lots of love Crackling fires a happy tear Special moments, being near.

I'll miss you when you go When the nights are getting cold I'll miss you when you go When I need someone to hold.

Watching sunsets, starry nights Misty lakes, firelight.

I'll miss you when you go
I thought you'd spend the winter warm with me.
